SUCCESS STORIES

I have been working as a Sevavrathi for a decade now. I started working in a garment factory at a very young age due to a lot of hardships of life. I came across the opportunity to become Sevavrathi and serve the society and guide young women like me who belong to the poor section of our society. I teach History and Vedas at the Gurukulam.

Padma, 12 years as Sevavrathi

I am from a poor family, I joined Nele at the age of 9. I cleared the "Yashas" entrance exam for Civil service examination tutorials in Puttur. I have completed 1st and 2nd PUC and have secured 93.33%. I thank Nele and HSP from the bottom of my heart.
